+2 High School, Malaur
12th (Science) (Completed in
June 2023)

The Divine Public School,
Bikramganj, Rohtas
10th (Completed in June 2021)

SUMMARY

- Results-driven Web Developer & Software Engineer with expertise in HTML, CSS, JavaScript, React.js.
- Successfully improved web application performance by 30% during an internship at Plasmid Pvt. Ltd.
- Skilled in developing responsive user interfaces, troubleshooting coding issues, and optimizing web applications.
- Passionate about learning new technologies, solving complex problems, and delivering efficient, scalable solutions.

Internship Experience

Web Development Intern | Plasmid Pvt.Ltd, Bangalore, India

- February 2025 – April 2025
- Developed and optimized web applications, boosting project efficiency by 30%.
- Assisted in front-end development using HTML, CSS, and JavaScript, improving UI performance.
- Gained hands-on experience in React.js and front-end frameworks.

PROJECTS

• Zerodha_Clone | Financial Platform for stock trading and investment

- Designed and developed an interactive stock trading and investment platform. It provides a comprehensive , in- house ecosystem including the Kite trading app, Coin for mutual funds, and Console for analytics.

• Key Features:

- Stock Analysis Tools – Integration with stock report to check company financials, management quality, and institutional interest.
- Coin (Direct Mutual Funds) – A platform for investing in direct mutual funds, which have lower expense ratios than regular funds, allowing for better returns.

• Technologies Used:

- Front-end: HTML, CSS, Tailwind, JavaScript, React.js (Bootstrap for responsiveness)
- Back-end: Express.js, Node.js, MongoDB
- TOOLS: VISUAL STUDIO CODE, GIT, GITHUB

Certifications

- Completed my MERN Stack Developer program at APNA COLLEGE.
- I got NPTEL Elite Certificate in IOT from IIT Kharagpur.

Technical Skills

- **Frontend Technologies:-** HTML, CSS, Tailwind, Bootstrap, JavaScript, React.js, Redux Toolkit, Material UI
- **Backend Technologies:-** Express.js, Node.js, MongoDB
- **Version Control:** VS Code, Git, GitHub

Communication Language

- Hindi
- English
